KÜHNIS SOLUTIONS

METO®
your retail label expert

METO – YOUR HANDS-ON PARTNER

Meto sees itself as a supplier of quality products and a partner to retail, industry and the service sector.

Headquartered in Hirschhorn am Neckar, as a market leader we draw on decades of experience and close cooperation with our customers to develop and realise innovative and customized concepts which set the benchmark in retail today.

Our integrated system solutions and first-class services provide for a smooth flow of goods throughout the supply chain.

Since 2016, Meto has been a part of CCL Industries Inc., a market leader in the field of labeling and packaging solutions for companies and consumers.

MORE THAN JUST SELLING OF PRODUCTS

Meto not only supplies its products in proven quality.
Its services extend well beyond this:

- Advice for customers in identifying requirements and corresponding solutions
- Support in the development, design and technical implementation of individual solutions
- Production of prototypes and samples

QUALITY “MADE IN GERMANY”

We are certified in accordance with numerous recognized standards, such as

- ISO 9001 Quality management system)
- ISO 14001 (Environmental management system)
- ISO HACCP (Professional Food management system)
- BRCS (Hygiene management system)
